HISTORIC SNOWMOBILE REGISTRATION

Historic Snowmobile registrations are available for snowmobiles 26 years old or older and owned solely as a collector's item. Snowmobiles registered as a historic snowmobile are limited to occasional use and for participation in club activities, exhibitions, tours, parades, and similar uses, including mechanical testing (MCL 324.82105c).

The snowmobile registration remains valid until the owner sells, transfers or scraps the snowmobile. The registration may not be transferred to another snowmobile.

Note to Law Enforcement: Historic snowmobile registrations are not maintained on the Law Enforcement Information Network (LEIN). To verify registration, review the owner's validated registration document and/or send a LEIN inquiry to the Michigan Department of State (ORI: MI230015V).

Customer: Keep this insert with your historic snowmobile registration.
